

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW MEXICO

CRYSTAL VALDEZ,

Plaintiff,

v.

No. CIV-16-0074 JCH/LAM

WHEATFIELDS ASSISTED  
LIVING, LLC, et al.,

Defendants.

**ORDER GRANTING IN PART MOTION TO EXTEND DEADLINES**

**THIS MATTER** is before the Court on the parties' joint motion to amend the scheduling order and to reset the settlement conference [*Doc. 24*], filed September 14, 2016. Having reviewed the motion and record of this case, the Court **FINDS** that the motion shall be **GRANTED in part** and **DENIED in part**. As the Court explained to the parties at the initial scheduling conference, because this case was set on a 180-day track, the Court cannot extend the deadlines more than **thirty (30) days** absent a showing of exceptional circumstances, which the Court does not find here. The Court will extend the parties' deadlines as follows:

Termination date for discovery: **October 19, 2016**

Motions relating to discovery to be filed by: **November 10, 2016**

Pretrial motions other than discovery motions (including motions which may require a Daubert hearing) filed by: **December 1, 2016**

All other deadlines in this case shall remain as they are currently set. The Court will enter a separate order vacating the settlement conference and will set a status conference to reset it.

**IT IS SO ORDERED.**
